

**Working Group on Radiative Corrections and Generators for Low Energy
Hadronic Cross Section and Luminosity**

Contribution ID: 38

Type: **not specified**

**Analysis of eta and eta--prime transition form factors
within Pade approximants**

Thursday, 11 April 2013 15:30 (30 minutes)

Presenter: SANCHEZ PUERTAS, P.

Session Classification: Gamma Gamma physics, FSR and Transition Form Factors I
