

Working Group on Radiative Corrections and Generators for Low Energy  
Hadronic Cross Section and Luminosity

Contribution ID: 34

Type: not specified

**FSR corrections to the process  $e^+e^- \rightarrow \bar{p}p\gamma$ : modelling and the implementation into the event generator PHOKHARA**

*Thursday, 11 April 2013 11:30 (30 minutes)*

**Presenter:** CZYZ, H.

**Session Classification:** Radiative Corrections and MC generators II
