

# Working Group on Radiative Corrections and Generators for Low Energy Hadronic Cross Section and Luminosity

## Wednesday, 10 April 2013

### Session II (11:00 - 13:00)

time	[id] title	presenter
11:00	[21] R-scan programme BES-III	DENIG, A.
11:30	[22] Simulation of e+e- annihilation into hadrons with PHOKHARA	GUNIA, M.
12:00	[23] Looking for the phase interference between strong and EM in J/psi decays	WANG, Y.
12:30	[24] Discussion
