

Working Group on Radiative Corrections and Generators for Low Energy Hadronic Cross Section and Luminosity

Friday, 12 April 2013

tau physics (11:30 - 12:30)

time	[id] title	presenter
11:30	[46] Are isospin corrections in $\tau^- \rightarrow \pi^- \pi^0 \nu_\tau$ decays understood?	ROIG, Pablo
12:00	[47] Comparison of Resonance Chiral Lagrangian Currents to Experimental Data for $\tau \rightarrow \pi^-\pi^-\pi^+\nu_\tau$	SHEKHOVTSOVA, Olga
