

ILC & more: a miniworkshop for the INFN and International community

Thursday 16 May 2013 - Friday 17 May 2013

Centro Volta -Villa del Grumello

Scientific Programme

During the miniworkshop, Physics, Machines and ongoing detector R&D activities will be reviewed in plenary sessions.

The afternoon of May 17th will be dedicated to a kick-off discussion of the INFN Researchers, in view of drafting a plan for 2014 and beyond.
