

# ILC & more: a miniworkshop for the INFN and International community

## Friday, 17 May 2013

### ILC & Mu-collider detector concepts + ongoing detector R&D's for CLIC (09:00 - 10:35)

time	[id] title	presenter
09:00	[8] The ILD Detector Concept	Prof. GRAHAM, Wilson
09:25	[9] The SiD detector concept	Prof. LIPTON, Ron
09:50	[7] The CLIC detector and physics study	ROLOFF, Philipp
10:15	[20] A detector concept for an experiment at the muon collider	Dr RON, Lipton
