

Advances studies in the low-energy QCD in the strangeness sector and possible implications in astrophysics - Dedicated to the memory of Paul Kienle

Contribution ID: 5

Type: **not specified**

From the exotic Carlo's request to Nicola Cabibbo to eV precision: the successful history of the exotic atoms at DAFNE. Quo Vadis exotica?

Thursday, 20 June 2013 09:30 (30 minutes)

Presenter: Dr CURCEANU, Catalina Oana (LNF)
