

ESTEC and its role within the European Space Agency (I)

Thursday, 19 September 2013 15:00 (50 minutes)

The subject of this presentation is to introduce the European Space Agency and its main activities to personnel of the INFN.

In particular, the presentation will highlight the Technical Centre of ESA, the ESTEC site in Noordwijk, The Netherlands, and the role played by the ESA's Technical Directorate, located at ESTEC.

Presenter: Dr SACCOCCIA, Giorgio (ESTEC)
