Transportation

Catania city center can be reached from the "Fontanarossa" airport new terminal (arrival level) with the bus AMT line 457, which runs every 20 minutes, from 5.30 am to midnight, from the Airport to the City Centre and the Central Station. Bus stop is outside of the arrival terminal, on the right side. Ticket (€1.00) can be purchased at the kiosk just outside the terminal, near the bus stop.

Taxis are available at any time outside the airport. The cost ranges from € 25 to € 35 according to the place to reach. Taxis are also available outside the Central Station. There is also a Radio-taxi service (+39-095-330966) which usually offers better fares.

INFN-LNS is well connected with Catania downtown via the new BRT bus line. Click on the following link www.brtcatania.it for more details.
