

**Working Group on Radiative Corrections and Generators for Low Energy
Hadronic Cross Section and Luminosity**

Contribution ID: 0

Type: **not specified**

Simulation of generic $e^+e^- \rightarrow$ hadrons below 2 GeV

Friday, 13 September 2013 09:10 (20 minutes)

Presenter: EIDELMAN, S.

Session Classification: Radiative Corrections and MC I 9.10
