

**LC13: exploring QCD from the infrared regime to heavy flavour scales at
B-factories, the LHC and a Linear Collider**

Contribution ID: 18

Type: **not specified**

Elastic and Diffraction processes at very high energy

Tuesday, 17 September 2013 18:00 (30 minutes)

Presenter: Prof. JENKOVSZKY, Laszlo (Bogolyubov Institute for Theoretical Physics, National Academy of Sciences of Ukraine)
