

QCD@Work - International Workshop on QCD - Theory and Experiment

Wednesday, 18 June 2014

Session 10 (16:50 - 18:30)

-Conveners: Antonio Vairo

time	[id] title	presenter
16:50	[86] Neutron electric dipole moment from colored scalars	EEG, Jan
17:10	[59] Callan-Symanzik approach to infrared Yang-Mills theory	WEBER, Axel
17:30	[94] Sum rules and spectral density flow in QCD and in superconformal theories	DELLE ROSE, Luigi
