

# QCD@Work - International Workshop on QCD - Theory and Experiment

## Monday, 16 June 2014

### Session 3 (15:00 - 16:40)

-Conveners: Mark Alford

| time  | [id] title   | presenter         |
|-------|--|-------------------|
| 15:00 | [53] Anomalous Transport: Holography, QCD and (Semi-)Metals                | LANDSTEINER, Karl |
| 15:30 | [54] An asymptotic solution of large-N QCD and of n=1 SUSY QCD             | BOCHICCHIO, Marco |
| 15:50 | [55] Thermodynamical and transport properties of sQGP from holographic QCD | HUANG, Mei        |
| 16:20 | [56] Anomalous Transport in Field Theory and Holography                    | MEGIAS, Eugenio   |
