Direct fast train (ICE) connection from Frankfurt Fernbahnhof (located at the airport) to Würzburg main station in 1:30h, running every hour\*.

- via Airport Nürnberg (NUE)

Reaching Nürnberg main station via Subway U2 (15 min), continuing to Würzburg with ICE (55 min, running every full hour\*) or regional train (1:10h, every 'half past'\*).

By train:

- Good fast train (ICE) connection from e.g. Munich (2h, direct), Paris (6h, 1 change), Geneva (7h, 2-3 changes).
- Train tickets can be purchased online<sup>1.)</sup>, at the station<sup>2.)</sup>, and onboard of fast trains (ICE and IC only!) <sup>3.)</sup>
- Seat reservation is not obligatory and not included, without reservation seat is not guaranteed.

 Approximate indication during regular daytime schedule, early morning and night time less frequent.

1.) <u>www.bahn</u>.de , discount for fixed trains possible, credit card needed.

2.) Counter or ticket machine, cash, CB or credit card.

3.) +10 Euro fee, credit card or cash

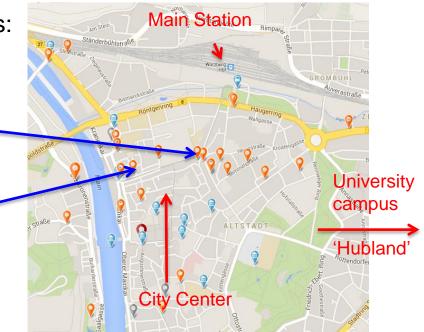

The city center of Würzburg offers plenty of affordable hotels and guest houses, which can be found via the common internet portals (*booking.com, hrs.de* etc.).

It is recommended to stay in the city center near e.g. Barbarossa Platz, Juliuspromenade. (Easy access to Public transportation to University Campus)

Special fees could be arranged at the Hotels:

- "Würzburger Hof" (Barbarossa Platz, code for special rate "Universität Würzburg") http://www.hotel-wuerzburgerhof.de/
- "Residence Hotel" (Juliuspromenade 1, code for special rate "MMM-Workshop"). http://www.residence-wuerzburg.de/

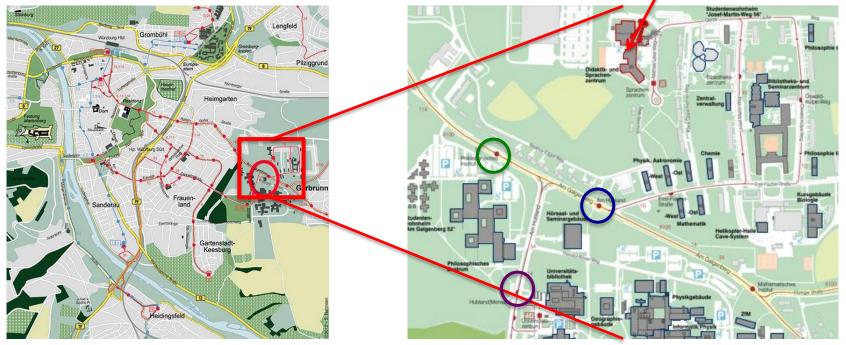

Please book before Christmas!

# How to get to the University?

The Institute of particle physics (Emil-Hilb Weg 22) and the 'Didaktik- und Sprachenzentrum' (Matthias Lexer Weg 25), where the meetings will take place, are located on the Campus 'Hubland Nord'.

Bus line 14 runs from the main bus terminal near the Station and the 'Barbarossa Platz' (city) to the stop 'Am Hubland', at the entrance to the campus 'Hubland Nord'.

The lines 114 and 214 run to the stops 'Philosophisches Institut' and 'Universitätszentrum / Hubland Mensa', 5 min walking distance to the campus 'Hubland Nord'.

Line 10 runs from 'Sanderring' (border of city center) directly through the Campus 'Hubland Nord', with final stop at the 'Didaktik- und Sprachenzentrum'.

WÜRZBURG

For the evening of Thursday 30<sup>th</sup> January a collective social dinner is planned at a typical franconian restaurant and winary, the

http://www.buergerspital-weinstuben.de

There will be no fixed menu, but food and beverages à la carte (self-pay).

In order to give a proper estimation of participants, please let us know with your registration if you intend to join the social dinner.
