

Vulcano Workshop 2014 - Frontier Objects in Astrophysics and Particle Physics

Contribution ID: 78

Type: **not specified**

Astroparticle in Europe

Saturday, 24 May 2014 09:50 (25 minutes)

I will report on the roadmap on Astroparticle Physics in the process of elaboration by the Scientific Advisory Committee of the Astroparticle Physics European Consortium. The ambition of this roadmap is to be a realistic roadmap matching the current and previsionsal financial situation in Europe.
