Peculiarities of Parametric Gamma-Rays in Condition of Anomalous Transmission

Tuesday, October 7, 2014 12:30 PM (15 minutes)

Dynamical diffraction theory of the parametric gamma-rays is presented in the current contribution.

Primary author: Prof. FERANCHUK, Ilya (Belarusian State University)

Co-authors: Dr AHMADI, Abbas (Islamic Azad University); Prof. LOBKO, Alexander (Institute for Nuclear Problems)

Presenter: Prof. LOBKO, Alexander (Institute for Nuclear Problems)

Session Classification: S3: X-Rays/Neutrons/Atoms Channeling
