

# Is quantum theory exact? The endeavor for the theory beyond standard quantum mechanics

Contribution ID: 21

Type: **not specified**

## Questioning the foundations of quantum mechanics with systems studied in Particle Physics

*Wednesday, 30 April 2014 09:30 (45 minutes)*

This talk will give an overview over quantum systems at high energies typically produced at accelerator facilities and discuss what can be learned about the very foundations of quantum theory.

**Presenter:** Dr HIESMAYR, Beatrix (University of Vienna)
