

Contribution ID: 213

Type: **Poster**

## **Development and studies of novel microfabricated radiation hard scintillation detectors with high spatial resolution**

*Thursday 28 May 2009 12:30 (1 minute)*

**Author:** MAPELLI, Alessandro (EPFL - Lausanne)

**Presenter:** MAPELLI, Alessandro (EPFL - Lausanne)

**Session Classification:** Photo Detector and Particle Identification - Poster Session

**Track Classification:** P7 - Photo Detector and Particle Identification
