Experimental Study on Fast Electrons Transport by Transition Radiation in Ultra-intense Laser Irradiated Solid Targets

Wednesday, 27 May 2009 08:29 (0 minutes)

Primary author: ZHENG, Zhijian (China Academy of Engineering Physics)

Co-authors: Dr WANG, Guangcan (National Key Laboratory for Laser Fusion, Research Center of Laser Fusion, China Academy of Engineering Physics); Prof. GU, Yuqiu (National Key Laboratory for Laser Fusion, Research Center of Laser Fusion, China Academy of Engineering Physics)

Presenter: ZHENG, Zhijian (China Academy of Engineering Physics)

Session Classification: Application - Poster Session

Track Classification: P4 - Application
