## **A Study to Enhance the UV Sensitivity of Geigermode Avalanche Photodiodes by Wavelength Shifter Coatings**

*Thursday, 28 May 2009 12:30 (0 minutes)*

**Primary author:** LORENZ, Eckart (MPI-Munich)

**Co-authors:** RENKER, Dieter (Paul Scherrer Institute, Villigen, Switzerland); MIYAMOTO, Hiroko (Max Planck Inst. for Physics, Munich, Germany); TESHIMA, Masahiro (Max Planck Institute for Physics, Munich, Germany); MIRZOYAN, Razmik (Max Planck Institute for Physics, Munich, Germany)

**Presenter:** LORENZ, Eckart (MPI-Munich)

**Session Classification:** Photo Detector and Particle Identification - Poster Session

**Track Classification:** P7 - Photo Detector and Particle Identification
