

**Working Group on Radiative Corrections and Generators for Low Energy
Hadronic Cross Section and Luminosity**

Contribution ID: 29

Type: **not specified**

**Generic MC Generator for e^+e^- to Hadrons at \sqrt{s}
< 2 GeV**

Friday, 11 April 2014 15:30 (30 minutes)

Presenter: SIMON, Eydelman

Session Classification: MC for e^+e^-
