

# XLIV International Symposium on Multiparticle Dynamics

## Tuesday, 9 September 2014

### Hadronic final states in high Pt collisions (15:00 - 17:00)

-Conveners: Hans Van Haevermaet; Carlos Salgado

| time  | [id]  | title                                     | presenter       |
|-------|-------|---|-----------------|
| 15:00 | [128] | Recent Development of MC event generators | PLAETZER, Simon |
