To: MPGD2015 presenters

Dear Colleagues,

thank you for contributing to MPGDs with your presentations (talks and posters). As already announced, the proceedings will be published in the open access scientific journal EPJ Web of Conferences (<http://www.epj-conferences.org/>).

Manuscript length:

- invited talks: 6 pages
- contributed talks and posters: 4 pages

Instructions for manuscript preparation can be found at the sites:

<http://www.epj-conferences.org/for-authors> ,
http://www.epj-conferences.org/doc_journal/instructions/epjconf_submission_guidelines_text_files.pdf .

Please, TAKE GOOD NOTE OF THE FOLLOWING PRESCRIPTIONS:

- The selected format of the articles is A4 2-columns;
- We will use the EPJ editorial service to monitor text files;
- We will use latex file ONLY;
- You have to supply an archive with the text file and figures in format ps or eps AND a PDF-file to make the review process easy; ONLY SUBMISSIONS INCLUDING BOTH FILES WILL BE ACCEPTED;
- The formats accepted for the archive file are tar or zip;
- The short title of the conference to be inserted in the heading of the article is: MPGD2015;

- You have to upload the archive file and the pdf file in INDICO page of the Conference: <http://mpgd2015.ts.infn.it/> ;
- for the poster manuscripts, the posters are now linked to the first poster session of the Conference (Tuesday 13 October): this in order to make it possible the file [uhttp://mpgd2015.ts.infn.it/](http://mpgd2015.ts.infn.it/)pload via INDICO.

DEAD LINE for manuscript submission to the review process:

29 November, 2015.

Thank you for your kind collaboration,

Best greetings,

Silvia

(for the editorial board of the CONFERENCE)
