

Summer School of Ultra-High Field Magnetic Resonance Imaging (HiMR)

venerdì 15 maggio 2015

Session 4 - Functional Magnetic Resonance Imaging - Room Bonaparte (08:30 - 10:30)

-Coordinatori: Peter Morris

time	[id] title	presenter
08:30	[12] Beyond BOLD-based fMRI: High-resolution mapping of blood volume changes related to neural activity	MOELLER, Harald
09:00	[13] fMRI applications in the visual cortex	RUA, Catarina
09:30	[14] Layer-dependent calibrated BOLD imaging	GUIDI, Maria
10:00	[15] Estimation of the laminar specificity of the BOLD response in the primary visual cortex	MARKUERKIAGA, Irati
