

# WELCOME TO LC2015

**Light Cone 2015**  
INFN FRASCATI NATIONAL LABORATORIES  
SEPTEMBER 21 - 25, 2015

**Topics**

- Hadron Physics in present and future facilities
- AdS/CFT - Theory and applications
- Few-body problems on the Light Cone
- Relativistic models of nuclear and hadronic structures
- Non perturbative methods in quantum field theory
- Light-front field theory in QCD and QED
- Lattice gauge theories

**Scientific Advisory Committee**

- C. Alexandrou, Cyprus Univ. and the Cyprus Inst.
- M. Anselmino, Torino Univ. and INFN Torino
- S. Brodsky, SLAC, Stanford Univ.
- W. Broniowski, J. Kochanowski Univ. and INP Cracow
- N. d'Hose, CEA IRFU/SPHN, Saclay
- T. Frederico, ITA, Brazil
- S. Gardner, Kentucky Univ.
- C. Ji, North Carolina Univ.
- X. Ji, Maryland Univ. and Shanghai J. Tong Univ.
- B.Q. Ma, Peking Univ. and CHEP
- W. Melnitchouk, Jefferson Lab
- P. Rossi, Jefferson Lab and LNF, INFN Frascati
- N.G. Stefanis, Ruhr Univ. Bochum
- A.W. Thomas, Adelaide Univ.
- M. Vanderhaeghen, Mainz Univ.
- J. Vary, Iowa State Univ.

**Local Organizing Committee**

- M. Battaglieri, INFN Genova
- D. Binosi, ECT\*, Trento
- M. Boglione, Torino Univ. and INFN Torino
- U. D'Alesio, Cagliari Univ. and INFN Cagliari
- M.P. Lombardo, LNF, INFN Frascati
- M. Mirazita, LNF, INFN Frascati
- B. Pasquini, Pavia Univ. and INFN Pavia (Co-Chair)
- G. Salmè, INFN Roma (Co-Chair)
- S. Scopetta, Perugia Univ. and INFN Perugia

  
  
  
Istituto Nazionale di Fisica Nucleare

[lc2015@lists.lnf.infn.it](mailto:lc2015@lists.lnf.infn.it)

designed by Piero Gatta

# Registration Desk

- Right outside the auditorium today during the morning coffee break
- At the conference secretariat after that

# Internet Connection

- To connect to wifi use **eduroam**
- Alternatively, it will be provided after filling the form you find in the web page at [Useful info](#) → [Network](#)

# TALKS

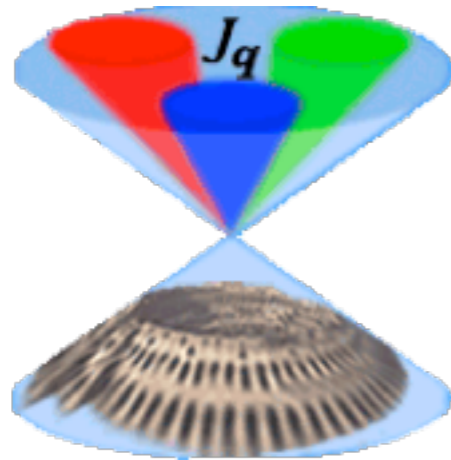

- Please upload your talk in advance on the indico page, following the instructions from the web page at the link “Abstract Talks Posters”
- Alternatively use a USB stick to upload it to the conference computer during the break before your talk

# PROCEEDINGS

- Proceedings published in a special issue of Few Body System
- Deadline: 15th January 2016  
6 pages for 30 min. talks; 5 pages for 20 min. talks

Please **attend** the Poster Session and **vote** for the best poster.

The **two most-voted posters** will be awarded the possibility to publish the contribution as a regular (refereed) article in *Few-Body System*.

LC2015 Poll  
for the Poster Award

Poster N. ....

# 2015 Gary McCartor Award

- The Gary McCartor Fellows will present their contribution in the afternoon sessions
- The Certificate of the Gary McCartor Prize will be conferred during the conference dinner

**Excursion  
on Wednesday afternoon  
at Villa Adriana in Tivoli**

**Departure at 2.30 p.m.  
from the main gate of LNF**

**Conference Dinner on Wednesday at 8.30 p.m.  
at “La Cantina Santa Benedetta” (Monteporzio Catone)  
We will go there directly after the excursion.**

THANK YOU TO OUR SPONSORS

AND ENJOY THE CONFERENCE!
