

Workshop on "Flavour changing and conserving processes" 2015 (FCCP2015)

giovedì 10 settembre 2015

Session13 (15:00 - 16:40)

time	[id] title	presenter
15:00	[16] A new approach to evaluate the leading hadronic corrections to the muon $g-2$	TRENTADUE, Luca
15:25	[17] Recent developments in the calculation of the hadronic light-by-light contribution to the muon $g-2$	Dr. PROCURA, Massimiliano
15:50	[18] Hadronic Light by Light corrections to $(g-2)_\mu$	Prof. VANDERHAEGHEN, Marc
16:15	[19] What does holographic QCD predicts for the light-by-light scattering contribution to $(g-2)_\mu$	CAPPIELLO, Luigi
