Logistics

- We are hosted at the Conference Center of the CNR Bologna Research Area, see http://www.bo.cnr.it/congressi/homepage-eng.html
  - Please **check in at the registration desk** and wear your badge at all times.
  - How to move around the Conference Center: see the Secretariat for bus timetables (lines 11 and 87). Bus tickets can be bought at the entrance. The Secretariat has also a list of recommended restaurants.
  - Important: if you came by car, use the Conference Center internal parking area, **do not park on the road outside** where the bus stop and the building site are.

- Wireless access is available through *eduroam* (preferred) or through the SSID/password you can find posted at the entrance.

- A PC and a printer are available at the Secretariat at the entrance. There is also a wardrobe, you are free to use it but it is unattended (so don't leave valuables).

Logistics (cont.)

- For speakers: please have your presentation ready (in ppt or pdf format) on a USB stick, or talk to the Secretariat if you don't have one.

- Coffee breaks and lunch will be served in the main lounge on the ground floor.
  - Please note that the bar and the canteen are reserved for local CNR employees. If you want to get beverages or snacks outside coffee break times use the vending machines.
  - An ATM can also be found on the ground floor.

- Parallel sessions tomorrow will be split among the main auditorium (this room) and smaller rooms on the first floor.
  - Look up your room number on the agenda and follow the signs.

- Tables with power strips suitable to charge electronic devices are provided in each meeting room.

Acknowledgments
