

3rd edition of a School
dedicated to Software and
computation

waived fee for student

Seminars of Softwares in Alghero
is the summer edition

[https://www.facebook.com/
SoftwareAndGeant4School/](https://www.facebook.com/SoftwareAndGeant4School/)

INFN

National Institute
for Nuclear Physics

20 Sections

3 National Centres

4 National Laboratories

COMETA

Scientific consortium
for advanced
computation

Sicilian public universities
and research institutions
(INAF, INGV, INFN)

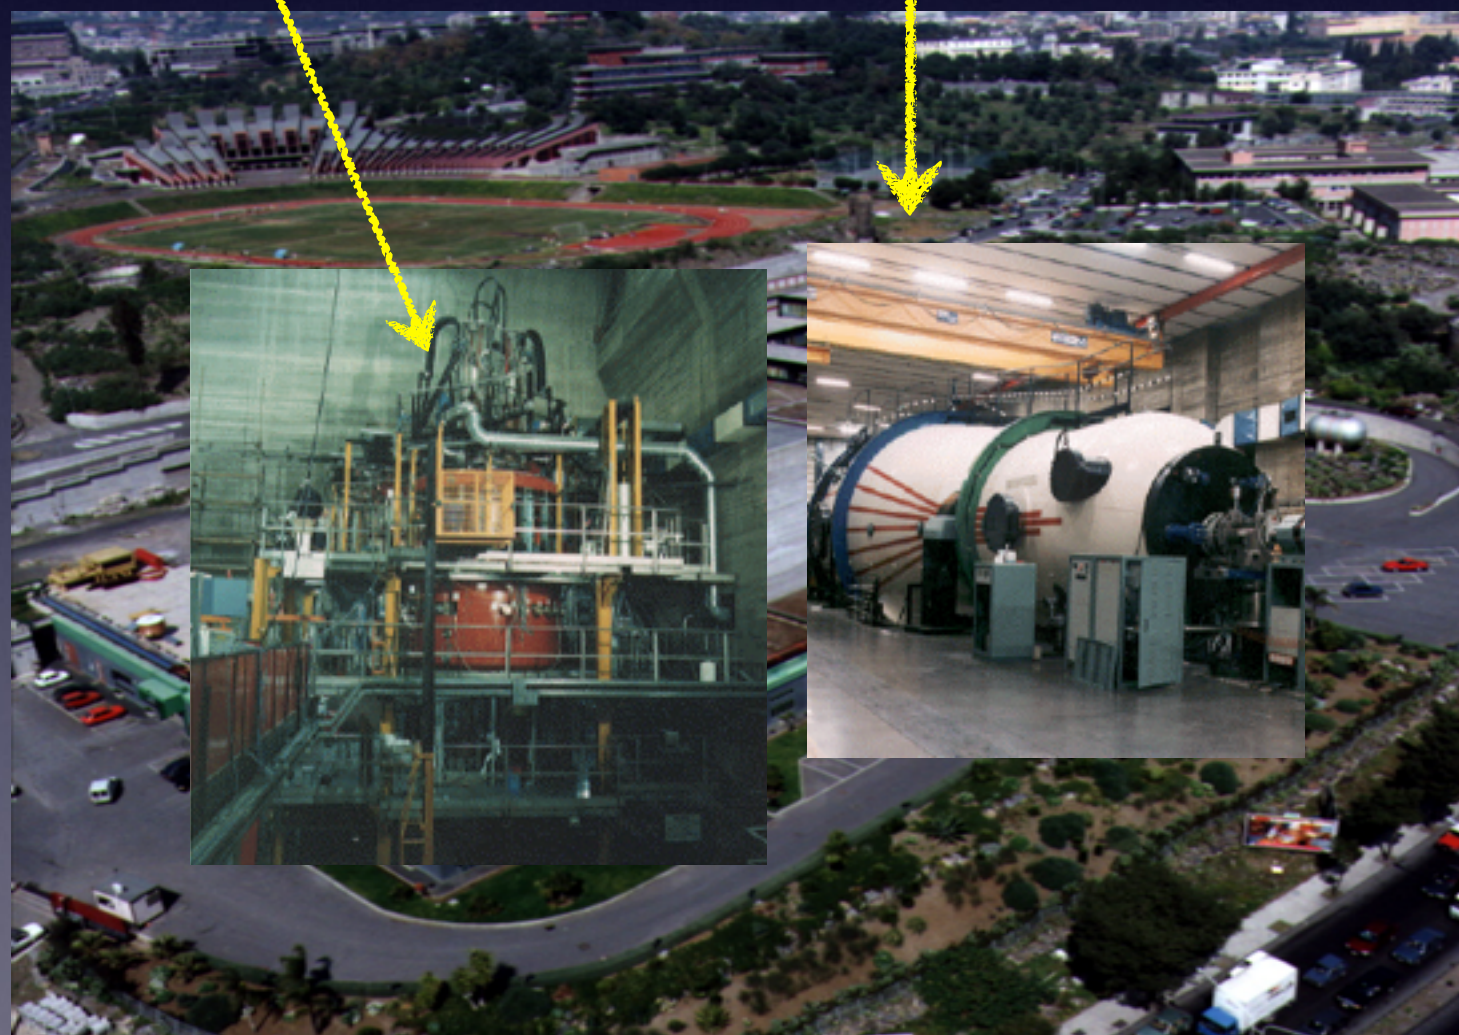

Superconducting
Cyclotron
(up to 100 AMeV)

Electrostatic TANDEM
up to 27 AMeV

INFN-LNS

Two particle accelerators
Nuclear physics
astrophysics
Multidisciplinary and
Accelerator technology
Medical physics
Cultural Heritage
Plasma/sources physics
