

# QCD@Work - International Workshop on QCD Theory and Experiment

## Tuesday, 28 June 2016

### Session 6 (11:30 - 13:00)

-Conveners: Mei Huang

time	[id] title	presenter
11:30	[86] Decay of superfluid vortices in CFL quark matter	ALFORD, Mark
12:00	[88] Chiral crystal phases of QCD under extreme conditions	ABUKI, Hiroaki
12:20	[89] A perturbative approach to the confinement-deconfinement phase transition	REINOSA, Urko
