

6st Workshop on Theory, Phenomenology and Experiments in Flavour Physics

Interplay of Flavour Physics and electroweak symmetry breaking

June 11th-13th 2016,
Anacapri, Italy

<https://agenda.infn.it/event/caprisfp2016>

The goal of the workshop is to promote exchange of ideas between theorists and experimentalists, aiming at developing strategies to face the energy and intensity frontiers. Participation is by invitation only (may be requested)
