## 1 HOW TO REACH YOUR HOTEL

We recommend to use the public bus “ALIBUS”, that takes you from the airport to Piazza Stesicoro, in close walking distance from the suggested hotels. The file [ALIBUS.pdf](#) contains the time schedule (basically every 25 minutes) and the map. The price is € 4, the ticket is valid also for other bus rides within 90 minutes in total.

You can also get a taxi, there is a convention between the Catania taxi company and the municipality. From the airport to downtown (and vice versa) the fare is € 20 (no meter). **Make sure of this fare with the driver in advance**, as the drivers tend to forget it and charge you much more...

## 2 REACHING INFN-LNS

The n\_TOF Collaboration Meeting, and the Collaboration Board Meeting, will take place at INFN-LNS in Via S.Sofia 62, located just before the entrance of the university campus. **A dedicated bus** will pick up the participants in Piazza Stesicoro every morning (h. 8:15), and will take them back from LNS to the same place after the meeting. Latecomers can take the public transportation bus labeled BRT1, which covers the distance between Piazza Stesicoro and LNS in (nominal) 7 minutes. The same BRT1 bus can be used to go back downtown, but the recommended bus stop is at the eastern gate of the university campus. Detailed maps and pictures are indicated on the file [BRT1\\_Stesicoro\\_to\\_LNS\\_and\\_back.pdf](#). Tickets for the public transportations must be purchased in tobacco shops (or bars or other shops) that show the bus company AMT logo.

The ticket price is € 1 for any number of bus rides within 90 minutes (excluding ALIBUS whose price is € 4).

**BRT1 will take you to INFN-LNS  
in case you miss the Meeting bus**

### Bus Rapido per Trasporto pubblico

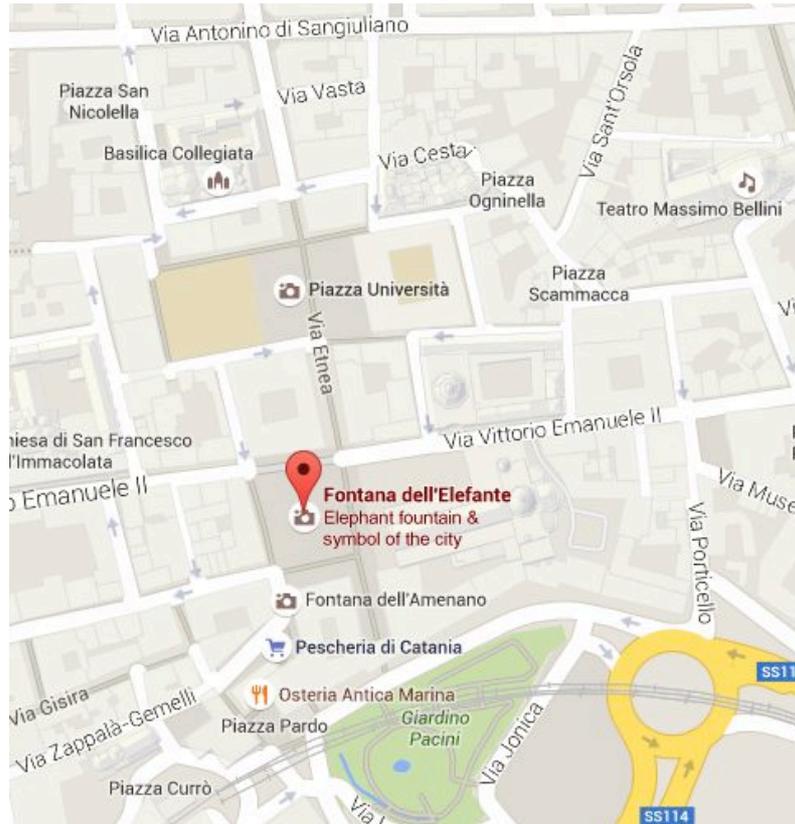

### 3 MEALS

Coffee breaks at mid-morning and mid-afternoon, as well as lunches on May 18-19, will be organized at LNS. A contribution of  $\approx \text{€ } 20$  might be requested to the participants for each lunch, although we are currently trying to find financial support to cover this cost as well. The dinner on May 18 will be free, whereas on May 19 we will have the social dinner (paid for the participants by the organization).

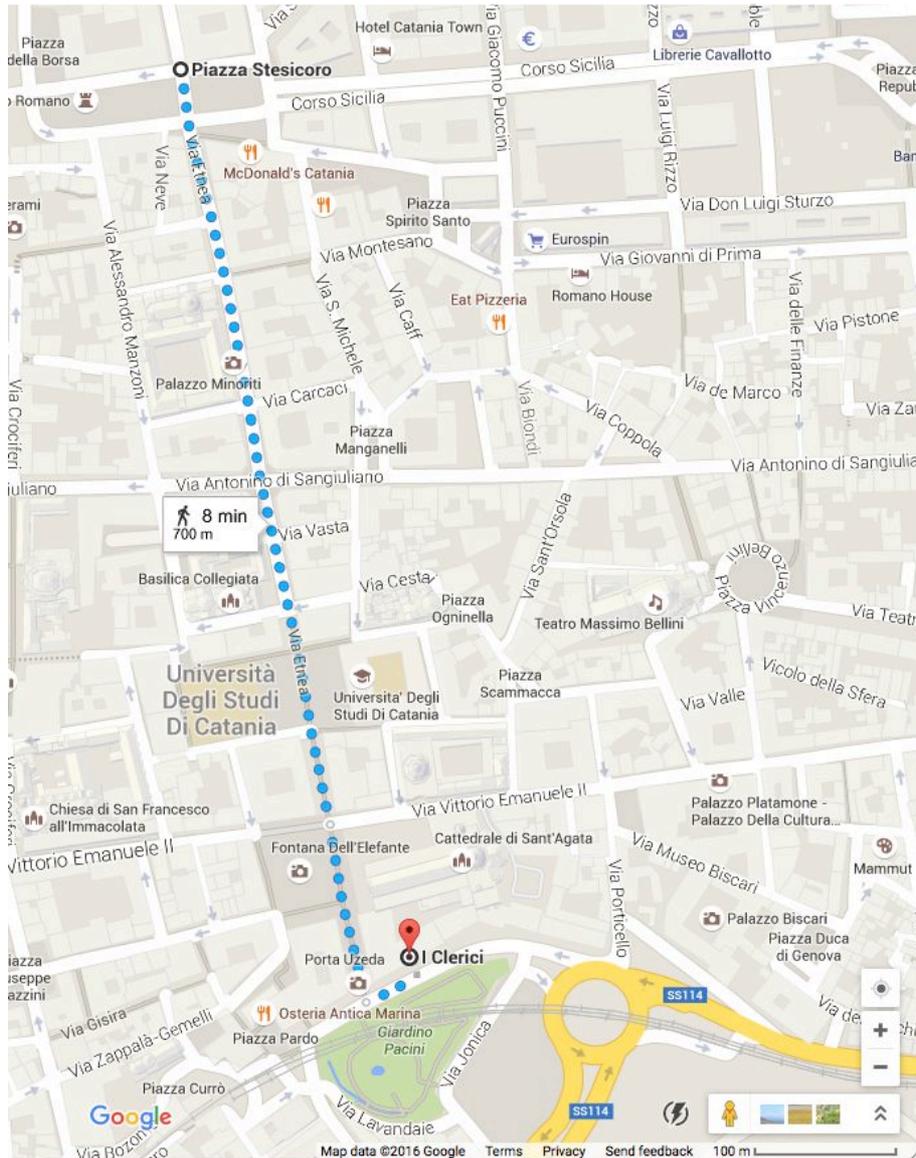

### 4 DOWNTOWN TOUR

A guided visit of the downtown neighborhoods will take place on Wednesday, May 18, h.18:30. The meeting point is in Piazza Duomo (at the elephant statue).

## 5 SOCIAL DINNER

The social dinner will take place on Thursday, May 19, h.20:30, at the restaurant “*I Clerici*”. Below you find the map with the indication of an itinerary from Piazza Stesicoro to the restaurant (Via Cardinale Dusmet, 21/23) and a picture of the entrance. It is in close walking distance from all the suggested hotels. The social dinner will be based on fish, for those who have special needs a different menu can be arranged. At registration time you will be asked whether you want regular, vegetarian or meat menu.
