

Dear colleagues,

as mentioned in our earlier e-mail we are organizing a SPES one-day workshop to discuss  
-Beta decay Physics and other opportunities to use non-re-accelerated beams at SPES-

in Milano on April 20-21, 2015.

For further information and to register to the event, please refer to the following web-page:

<https://agenda.infn.it/conferenceDisplay.py?confId=9083>

Best regards,  
Giovanna Benzoni  
Gianluca Colo'

Milano, January 23<sup>rd</sup> 2015
